The start of December brings a change to the calendar year, a new season for the Church and new trimester for our school. It is a time of new beginnings. In the Church, we have started the 2nd week of Advent and are racing towards Christmas, when we will receive Jesus. Advent is a time of spiritual preparation and reflection. I encourage you to increase your prayer life with your families and participate in works of mercy. This month we have an opportunity, as a school, to help mothers and babies in need, by donating to our local Pregnancy Counseling Center. I hope that you will help us make a generous contribution.

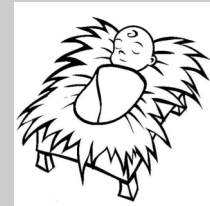

Academically, we have wrapped up our first trimester and are now in the 2nd week of our 2nd trimester. After parent teacher conferences, it is a good time to reflect with your child about how they are doing in their classes. Cover the areas that they are doing well in and in the ones in which they can improve. Help your child work on the areas their teacher emphasized during teacher conferences.

Last, we will be producing a Christmas program this year. If your child signed up to participate, please make sure they are working on their songs this week. **Thank you and God bless.**
