PRINCIPAL'S CORNER

St Didacus School:

We have entered the fall months and like the changing season, there are many exciting things going on at St Didacus. The most important thing happening is that the County of Los Angeles has decided to begin the process of allowing waivers for an in-person return to school. The waiver application has not been made available as of yet, but we are expecting it any day now. The initial waiver will only be granted for grades Kinder, 1st and 2nd. This is a small step, but at least it is a step in the direction of a return to normalcy.

I do understand that many of us will be at a different place in regards to allowing our children to return to school. This will be a decision that you and your family must make. We will support you regardless of the choice you make. You may choose to send your child to school in-person when the time comes or continue virtual learning. St. Didacus School will continue to offer both for the foreseeable future. In the coming week, I will be sending out a survey for the entire school to better understand where each family stands.

October is the month of the rosary and we will have a school family rosary every Monday night at 7pm, starting tonight, October 5th. I hope to see many of you on Zoom (Meeting ID: 991 0512 0583 - Passcode: 665622).

Lastly, please sell all of your raffle tickets. This fundraiser is incredibly important to the overall financial well being of our school this year. This is also a mandatory fundraiser. If you have not picked up your raffle tickets, please do so in the school office.
